

REMARKS

Responsive to the Office Action, Applicants hereby amend the application to place same in condition for allowance.

With respect to the objection to the specification and the corresponding subject matter of Claims 15, 16, 17 and 18, Applicants hereby amend paragraphs [0019] and [0020] to include descriptive language that tracks the language of Claims 15-18, which amendment also is fully supported by the drawings. No new matter is entered hereby. Withdrawal of the objection to the specification is requested.

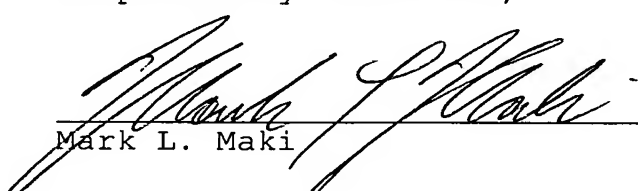

Also, the specification is amended in paragraph [0020] to delete the term "mixing head" and relies solely upon the term filling head. Claims 9 and 15 are also amended to refer to filling head rather than mixing head as suggested by the Examiner. Withdrawal of the objections to the specification and claims is respectfully requested.

Also, Claim 18 is amended to delete the language objected to the by Examiner.

As indicated in the Office Action, Claims 9-18 are allowable once rewritten to overcome the aforesaid rejections.

Further and favorable consideration of this application is respectfully solicited.

Respectfully submitted,

Mark L. Maki
